Details of your adviser are set out in the attached "Adviser Profile". The Adviser Profile forms part of this FSG and they should be read together.

You are entitled to receive a **Statement of Advice** ('SoA') on the first occasion that we provide you with personal advice. This document will:

- Explain the advice and the basis of the advice,
- Provide information about our remuneration (including insurance commissions), and
- Disclose any associations or relationships that could potentially influence us in providing the advice.

If we provide further advice we may provide you with a further SoA or a **Record of Advice** ('RoA') which we retain on file. You can request a copy by telephone, mail or email of the RoA document at any time up to 7 years after the advice is provided.

Not Independent

Quill Group Financial Planners Pty Ltd is not legally allowed to use the words independent, impartial or unbiased because in the course of business we:

- receive commissions for the advice we provide on life risk insurance products.
- (See Remuneration Section for details)

Copies of all advice documents will be retained on your client file and if you have not already been provided with one you may ask for a copy of these documents at any time.

We will also provide you with, or make available to you, a Product Disclosure Statement ('PDS') issued by the product issuer for any financial product we recommend. The PDS contains information about the costs, benefits, risks and other features of the recommended financial product. You should read this information to enable you to make an informed decision prior to purchasing the recommended financial product.

Ongoing Service Agreement ("OSA") and Written Consent to Deduct Fees will be issued to you about the services we intend to provide you over the next 12 months. We will also be required by law to obtain your written consent before ongoing fees can be deducted from your account/s.

- the scope of the advice includes all the issues for the advice to meet your stated objectives, financial situation and needs (including your tolerance for financial risk),

Restrictions that Apply

Whilst we are part of a multi discipline financial services business, Quill Group Financial Services does not provide legal, taxation, accounting or direct property advice. Whilst advice may touch on these areas, you should seek professional advice from experts in these fields. We can either refer you to one of our inhouse specialists within the broader Quill Group for assistance in these areas or alternatively help you obtain professional external advice in these areas.

Remuneration

A complete schedule of fees will be included in the Statement of Advice which will be given to you. Our Financial Planners are salaried employees of Quill Group Financial Planners Pty Ltd.

We generally operate on a fee for service model, based on the service provided to you. In most cases this will include an initial fee for the advice and placement of any business followed by an ongoing service fee. Any of these fees will be charged as agreed with you and as permitted by law.

The initial fee for advice ranges from \$2,500 to \$8,800 (inclusive of GST). Ongoing fees are determined by the complexity of ongoing work involved and services we provide. These fees enable us to cover the cost of providing this service and include data collection, research, strategy development, continuing training requirements and ongoing administrative costs. Our minimum ongoing fee starts at \$3,500 p.a. (inclusive of GST). We will inform you of the exact fee and seek your consent prior to engagement. Any fees charged at an hourly rate will be at a rate of up to \$550 per hour (inclusive of GST).

Risk insurance product providers pay Quill Group Financial Planners upfront and on-going commissions if you proceed with a risk insurance product one of our advisers recommends you. The upfront commission payable to Quill Group Financial Planners for advising on and implementing risk insurance financial products for you can range between 27.5% and 66% of your annual premium, while on-going commission may range between 22% and 30% of the annual premium. For example, on an insurance premium of \$1,000 that pays 66% initial commission and 22% on-going commission, the upfront commission is \$660 and the on-going commission is \$220 per annum. We reserve the right to charge a fee for risk insurance advice, in addition to any commission should the total initial insurance commission fall below our minimum advice fee of \$1,650.

We may receive commissions on increases or additions to existing policies put in place before 1 January 2018 of up to 130%, and between 88% to 66% for policies written after that time.
